Imam Abdulrahman Bin Faisal University (IAU) shares sports facilities with local community. Also, local schools are welcome to use IAU facilities.

Find below some of our IAU facilities.

1. Sports festival for people with Disabilities

IAU represented by the Sports Activity, in cooperation with the Ghoson Al Mostaqbal Center for People with **Special Needs**, organized the Sports Festival for People with Disabilities.

In the presence of His Excellency the Vice Dean for Activities and Student Support, Dr. Abdullah Al-Naghmouh, His Excellency the Assistant Dean of Student Affairs, Mr. Ahmed Al-Shammari, Her Excellency Ms. Ghosoun Arabi, Chairwoman of the Board of Directors of the Center, and the staff of #شؤون_الطالبة_عمادة_IAU and the staff of the Ghosoun Al-Mustaqbal Center.

The event included several activities, including (motor competitions – sports activities – coloring – compositions) to develop the social aspect and enhance self-confidence. At the end of the event, gifts were distributed to the children.

2. Lets play together – event for Orphaned Children

The Let's Play Together event was organized for orphaned children, as this segment is **considered one of the important segments of society** that all different civilized nations have taken care of. Leaving orphans alone without care or attention causes serious problems in society.

4. Sports and Health club with Women's prison inmates

The Sports and Health Club, in cooperation with the General Administration of Prisons in the Eastern Region, visited the women's prison in Dammam to present an event that included educational and **sports activities for female inmates** of different age groups, as this segment of society receives great attention and special care from the state.

Inmates are generally neglected, IAU has taken one step further to encourage them by going from their comfort zone and conducted Sports events for female inmates. IAU breaks strong barriers to uplift the community.

Appreciation from the Prison administration

Such activities contribute to correcting the behaviour of female inmates, as well as achieving the content of prison organisation laws and demonstrating the humanitarian aspects adopted by correctional institutions through their social applications to rehabilitate female inmates and instill a social spirit in them.

توافر شهادات حضور

The Deanship of Student Affairs Agency for Student Activities and Support, represented by the Sports Activities Department, in cooperation with JUMP ACADEMY, invites you.

To attend a workshop entitled “Diabetic Nutrition”

For cadres in the sports field. This is an **open event** for all the people in Sports field.

6. Sports for Disabled girls – Open event

The activity included sports activities and competitions with the aim of spreading an atmosphere of fun, happiness and social interaction among girls, as **girls with disabilities are part of society like any other normal person**, and one of the most important factors in changing people with disabilities in the society for the better is for others to accept them and treat them as normal people without discrimination between them.

<https://x.com/healthclub0/status/1764254282918863227>

7. Training course in sports filed

A training course on the **nature of volunteer work in the sports field** and its benefits, explaining what to look for and what to avoid when volunteering in any event, and presenting some tips for achieving a balance between volunteer work, study and life commitments.
